The Bow Technician will provide superior service in the repair and maintenance of archery bows to meet the service requests of the hunter. This position will represent Taylor's Archery as a friendly, courteous and knowledgeable professional to all customers and fellow associates.

Responsibilities Include:

- Provide exceptional customer service by greeting all customers within sales radius
- Knowledge of hunting and bow specifics
- Be knowledgeable to answer questions concerning location, price and use of merchandise
- Stock Shelves, counters or tables with merchandise
- Carefully follow instructions per specific requests of the customer, while maintaining safety requirements
- Service bows including: setting up bows with accessories, tuning bows, repairing bows, and stringing bows
- Communicate process of repair and suggestions for ongoing maintenance
- Maintain an orderly and exceptionally clean appearance of personal work space, archery bench, back stock space and surrounding areas
- Welcome, greet and address customers in friendly and courteous manner while providing prompt and outstanding services to customers
- Contribute to a work environment that fosters pride in being part of a winning team and promotes personal growth

Requirements:

- Capability to draw back a bow of 70 lbs. or more
- Excellent written and verbal communication skills
- Ability to complete basic mathematical equations
- Ability to read and interpret documents such as safety rules, operating and maintenance instructions, and procedure manuals
- Able to apply common sense understanding to carry out instructions furnished in written, oral, or diagram form; ability to deal with problems involving several concrete variables in standardized situations
- Be professional in appearance and attitude, contribute to a positive team atmosphere and treat others with respect and consideration while following Taylor's Archery's policies and procedures
- With or without accommodations, be able to sit, and/or stand, for extended periods of time
- Attend occasional evening training meetings

Education and Experience:

Ideal candidate will have a minimum of a High School diploma, or General Education Degree (GED); one to three months of related experience or training; or equivalent combination of education and experience.

Schedule:

Must be flexible to work assigned schedule between 9a.m. to 7p.m Mondays, 11a.m. to 7p.m. Tuesday through Friday and Noon to 6p.m. Saturday. Schedule may include varied hours, days, evenings, weekends, and holidays. Average hours is 40 hours and over time during busy season.
